Laker Staff

"Find Something to do." That is what the members of the Laker staff hear from both its editor and its advisor. The staff's motto is to "keep busy," and that's not hard to do for there's always plenty of work to be done.

Many people do not realize the work and effort put forth by those who make their yearbook. They don't know the long "extra" hours spent after school and some nights just to be certain each picture is in just the right spot and each word of copy is written as it's meant.

The staff knows it is necessary to work these extra hours because this annual is a book of wonderful memories recorded to last forever. Sometimes they don't like working but they always enjoy it. They enjoy the feeling when the book is finely produced, of presenting it to its readers and saying, "That's our book. I helped produce it."

Dear Readers:

A year of dreams and excitement past—but always to be remembered and cherished.

We, the Laker Staff of 1963, present this book to you as a constant reminder of a year's activities at Round Lake High. We hope our work and effort to preserve the memory of these activities will be rewarded, if only by a moment's pleasure.

No matter what is the walk of life in which we may find ourselves in future years, a glance at this book may lighten our labors by reminding us of both happy and sad events. To do this would truly deem our yearbook worthwhile.

As you recall occasions never to be forgotten, we hope you will, also, recall the work and thought included on each page, all for your enjoyment.

We hope you experience the enjoyment we, the Laker staff, did for almost a year as we now present to you our cherished yearbook, "The Laker."

Sincerely,
Rosemary Golofit and Linde Legge

Class of "63"

LEFT TO RIGHT: J. Liles, Secretary; R. Golofit, Treasurer; K. McCann, President; J. Raihle, Historian; D. Jacobson; Vice-President. (Left) Mr. Smith, Advisor.

As the school year drew to a close and the Seniors looked forward to commencement, their last official act as members of Round Lake High School, they could look back over the last four years with satisfaction. They had left their mark in the annals of R.L.H.S. The Seniors have been an active class from their Freshman year. Many of them have been outstanding members of our athletic teams, while others have worked hard on the Prom and Winter Formal. Also, the Seniors have innovated changes in the school clubs and organizations.

But even with their many activities they never forgot why they were going to school: to educate themselves and become responsible citizens in a growing community. High school was only a short part of their lives, but one they will always remember.

Activities

Homecoming

Our bonfire that opened Homecoming festivities.

The 12th day of October began the 1962 Homecoming festivities. The bonfire this year was held at the north end of the high school. During the bonfire, the Junior Class President announced the choice for queen as Donna Jacobson. After an exciting pep rally, cheerleaders led a snake dance into town, where another pep rally was held.

Bright and early the next morning, the clubs began to line up their colorfully decorated floats and cars. The Junior Class took first prize with its float and the Sophomore Class and Student Council tied for second. The Freshmen and Spanish Club tied for third.

In the Businessmen's division the Chamber of Commerce took first prize with Shorewood Food's coming in second and Bielat's, third.

1962

First prize for the non-school division went to St. Paul's Walther League. Second place went to the Youth Council.

After the Big Parade, the Panthers played an exciting game against Wauconda with a smashing victory of 28-12. At half-time Donna Jacobson was crowned Queen by the captains of the football team, Gene Baker, George Laurell, and Ray Jelinek.

At eleven o'clock the doors of the brightly decorated gym began to close, bringing also to a close, the homecoming festivities of the year. Everyone who was at the game, parade or bonfire, will always remember the fun he had and will be looking forward to next year's homecoming.

The Gondoliers, Or . . .

The curtain rises when the chorus of Contadine is preparing bouquets of flowers in order to win the favor of the two Gondoliers who are coming to choose their brides. After Marco and Guiseppe choose Tessa and Gianetta as their brides, the two boys tell their wives that one of them is to be Queen of Barataria; and, off they go to discover who is king and who is queen.

Meanwhile, the Duke and Duchess of Plazo-Toro bring their daughter, Casilda, and Luiz, the drummer, to Barataria to claim the throne. The Duke states that Casilda was wed to the heir to the throne of Barataria when she was an infant.

Casilda, who is to marry the king, either Marco or Guiseppe, is really in love with Luiz. Then enters Inez, the king's foster mother, to tell who the real king is. She informs everyone that the rightful king is Luiz.

All ends well when Luiz and Casilda are again united; Marco and Guiseppe are happy too because they remain married to Tessa and Gianetta.

Charlie's Aunt

The Senior Class presented the three act play "Charlie's Aunt," directed by Mr. N. R. Herold, on April 6 and 7. The play was centered upon the main character, Lord Fancourt Babberley, who in the cause of romance, impersonated the aunt of his close friend, Charlie. Charlie and his friend, Jack, needed a chaperone for a dinner date with two lovely young ladies. The boys informed their dates that Miss D'Alvadarez would favor them by attending, but were notified at the last minute that she could not do so. To keep from breaking the date, the boys persuaded Lord Babberley to impersonate his aunt. Complications set in when Charlie's real Aunt did arrive.

Spring Concert

The 1962 Spring Concert, which was presented April 30, under the direction of Mr. Kool and Mr. Combs was a great success. To make the concert such a success, the band and chorus had to work very hard. The A Cappella Chorus and Band offered many selections. Among the selections were those they performed at The Music Contest earlier during the spring. For the Contest the A Cappella Chorus chose "O Rejoice, Ye Christians, Loudly," and "Elijah Rock." The Girls Glee Club sang their contest selections, "What Tongue Can Tell," and "Without a Song." The Freshman Chorus will remember "Hey, Look Me Over" and "The Cider Mill." The Band chose for the Contest "Stella Polaris," "Orlando Palandrino," and "Dance Rhythms." Besides the Contest numbers, the Band played many well arranged popular themes from movies.

Pride of Our School

The R-Lettes, now going into their sixth competitive year have brought many honors to the Round Lake area. The past summer has been especially prosperous, for at no other time have the R-Lettes traveled as much or received as much fame. The last year's travels have taken them to such places as La Porte, Indiana; Momence, Illinois, for their annual Gladiola Festival; South Milwaukee, for the "Spectacle of Music" where the open national marching contests are held; and, for the first time in the R-Lettes history, they entered the V.F.W. National Competition held in Minneapolis, Minnesota. Competing with units from all over the country, the R-Lettes made an excellent account of themselves, taking second place in the womens division. (Good Work girls!) This group has put many an audience into a trance with their precision drills. Their exceptionally good reputation and high standards have never been matched! Yes, the Round Lake area has good reason to be proud of the R-Lettes! Who else could have put little old Round Lake on the map?

The National Champions.

Precision is their middle name!

Mr. Lonergan, drill master.

to make worthy use of our leisure time through various activities keyed toward physical fitness,

to tighten the bonds of friendship with our friends, school, and community,

to stimulate an interest in all sports events throughout the year,

to develop an individual's personality by creating a sportsmanlike attitude and a code of conduct most becoming to a girl today.

Each day members of G.A.A. attempt to achieve this goal.

Activities vary greatly — from the Turkey Trot to the G.A.A. Banquet.

Gridiron Greats

It's late in the fourth quarter, both teams struggling to come out on top. Our quarterback fades swiftly back out of the reach of enemy linemen. A lone target downfield—then a pass. Complete for a touchdown! This scene brought many a fan to his feet during last year's eight-game schedule.

Even though the 1962 team did not win any spectacular trophies, they did gain a lot of experience. Coach Rogers had, mainly, juniors with whom to work; and, considering that most of them had never been in a Varsity uniform before, they did very well. The season conference record was 3-4, third in the league.

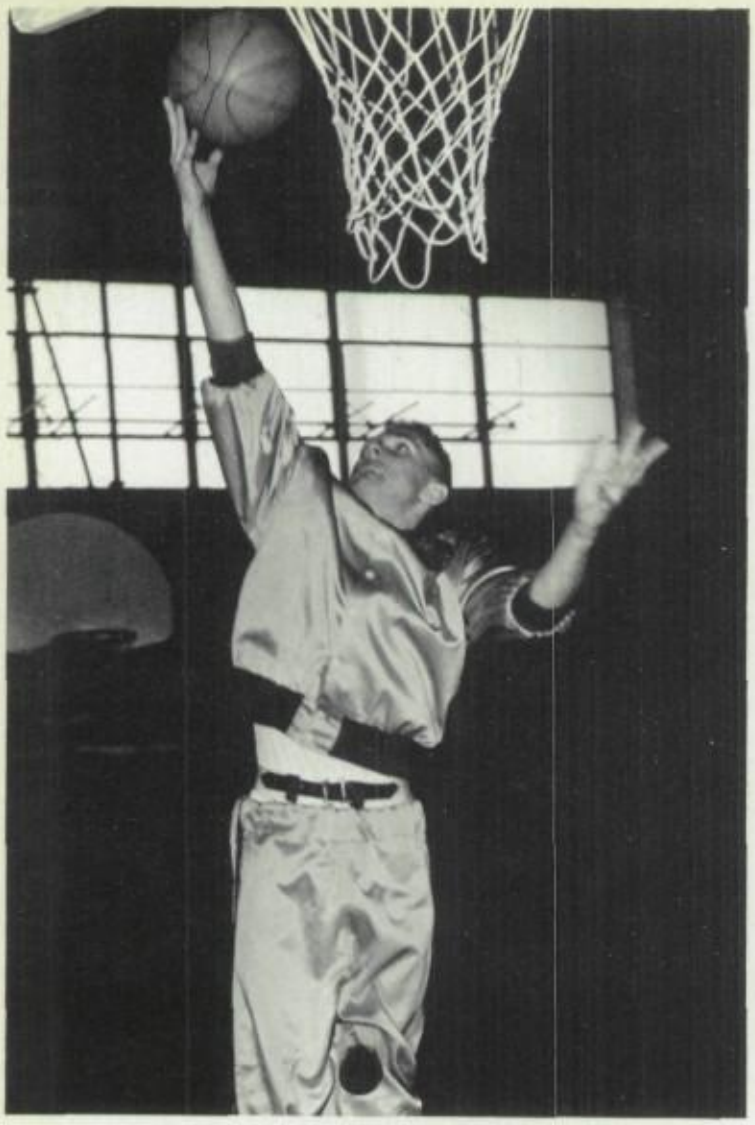
Freshman Football

A small but eager eleven, in the form of Round Lake's freshman football team, didn't go very far in the won-lost column (0-6-1) but they scored high in team spirit. Although outweighed by most other teams, the willingness to learn stood out in the Frosh. Coach Elia has hopes for these boys, for, if they grow, they could, in a couple of years, be winners.



Glenn Waters, *Forward*

Basketball '62-'63

The 1962-63 basketball season was a rebuilding year for Coach Sabo. With five promising juniors and a returning senior letterman, Round Lake compiled a 4-14 won-lost record. Glenn Waters, the only senior starter, had his best year, leading the club in shooting percentage. Dennis Carter (team top scorer) and Bob Miller (second in scoring and assists) teamed up throughout most of the season for a 1-2 scoring effect and plenty of valuable rebounds. Injuries hurt the Panthers, with Carter out of the first three games with a broken finger and Miller missing the last five due to a knee ailment. Three other juniors, Mike Rosinski (leader in assists), Jim Beyer (one of the top rebounders), and Dennis Price (team ball handler) completed the first six. Defensive problems were rather noticeable during the year, but by next year these should be worked out to the point of a winning season.

The 1963 version of the Frosh-Soph had an off year, but the season was not without bright spots. Future Varsity material here gained valuable experience while having a lot of fun playing basketball. Even though Coach Schleg may have seemed a little exasperated at times, he really enjoyed coaching this year's team and looks to see them do better in future seasons.

Baseball, 1962

After a seemingly bad start, the Varsity bounced back with four straight wins. Their season's record (6-8) is not, however, totally symbolic of their efforts, as a one-run game was dropped to Antioch and not recorded is a 7-7 tie with Grant.

Coach Rogers' Frosh-Soph had a good year with a 9-5 record that took second place in the conference. They hit, ran, and fielded well and will make good Varsity material next year.

In September of 1960, it was exceedingly hard to adjust ourselves to the surrounding conditions. To complicate matters we were immediately faced with the problem of preparing an entry for the Homecoming Parade. After much haste, we produced our first school project.

Our Sophomore year was more organized, and we again entered the Homecoming Parade. In the middle of the year, we held our St. Patrick's Day Dance on March 17th.

The Junior Class started at a fast pace this year in organizing the Homecoming activities under the leadership of Linda Heppner, our Parade chairman, and her committee. The Parade was enjoyed by all. Our class float took a first place prize. We are now undergoing a series of money-making plans to sponsor what we hope will be Round Lake's most remembered Prom.

We feel we have accomplished much in the years past and we will strive for continued success.

Our Sophomore class began the year with our Homecoming float. The theme for our float was "Wauconda Under De Feet." After a considerable amount of hard work on the float, our class proudly accepted second place.

During the year, we sponsored two soc-hops, one on January 25th, following a basketball victory over Ela Vernon. The other soc-hop was the annual Sophomore Soc-Hop, the Irish Shindig, held March 15. We are anticipating an active and interesting year to come.

The Freshman Class this year stepped right into the swing of Round Lake High School activities. The Homecoming Parade brought a third place to this group, with the theme, "We'll Rule Over Them." After a busy holiday, a freshman sponsored sock-hop started the new year. The cold winter ended, project planning began once more, and the annual Freshman Class Dance was held in the Spring. Before they knew it, that wonderful first year was over, but not forgotten.
